POSITIVE ENERGY ALWAYS CREATES ELEVATION!

Why Peace?

“The gun crime and war going on in Manchester.
Make use of yourself, get a job from the Job Centre.
Try out a football team try to be Zidane.
Instead of vandalising property with a spray can.

Stop your foolishness, dealing with drugs.
Or else you will become like one of those thugs.
Go to festivals and make some friends
Or chill in a youth club.

Don't take drugs, don't take pot.
If luck ain't on your side, you might get shot!
Don't go roaming on the streets.
Get on with your life, good luck and PEACE!”
